FACTOR ELECTRONICS

New Ultra Slim Ultra Flexible HDMI Cables
Tight spaces? No problem!

- New ultra slim cables fit into tight spaces.
- Impedance matched multiple twisted pair array with Ethernet
- 99.9999% Oxygen free copper conductors
- Ultra-low capacitance dielectric insulation
- Miniature connectors only W x 17mm H x 17mm D x 7mm
- 24K gold plated connectors

FACTOR ELECTRONICS

Ultra High Speed Metal Installation HDMI cables with Ethernet!

New Metal Installation cables with heavy duty all metal bolted connectors for tough installations.

- Impedance matched multiple twisted pair array with Ethernet
- 99.9999% Oxygen free copper conductors
- Ultra-low capacitance dielectric insulation
- Solid metal bolted connectors
- Stands up to pre-construction environments
- 24K gold plated contacts
